Notes: This catalog is for reference only. Final DDP landed cost depends on destination, SKU mix, and volume. Certifications and test reports are provided on request for your destination/SKU.

# Procurement quick start

Designed to reduce back-and-forth emails. Share the 3 items below and we can quote fast.

## 1) Request a quote (DDP / FOB)

- Destination: country + ZIP/city
- SKU(s) + quantity (cases / pallet / container)
- Any compliance needs (FDA / EN13432 / BPI etc.)

## What you get from us

- Landed DDP cost (or FOB / container options)
- Lead time estimate + shipping method
- Docs for procurement (certificates / test reports on request)

## 2) Free samples (B2B)

- Samples are free; you only cover express shipping (at cost).
- Standard kit: 10-15 pcs (under 1kg).
- Shipping is 100% creditable on your first official order (5+ cases).
- Fair-use: intended for verified business buyers; repeated requests may be limited.

## 3) Payment & shipping (summary)

- Standard payment: 30% deposit + 70% balance (per PI).
- DDP lead time examples are estimates, not guaranteed deadlines.
- Customs inspections may add 5-10 days (outside seller control).
